

Est. 2016

SECOND CHANCE

COMMUNITY SHOP

Come see our renovated clothing bank! Thanks to our generous sponsors and hard working volunteers, the space is bigger and brighter, and better than ever! You'll find everything your household needs, from toys to clothes to housewares. **It is free** to those in need.

With the support of the **SaskEnergy - Share the Warmth** program and donations from our community, we'll be able to keep everyone in our neighbourhood warm and dry.

Are you looking for a way to give back to your community? **We accept donations during our hours of operation!**

(or call to set up an appointment) if what you have is time, consider volunteering to supervise the clothing bank! If you are in need of items, please stop in during our hours of operation or during one of our programs you are attending. **MON - WED (1pm - 4pm).**
